

UC Master Gardeners - Yolo County will present a free public workshop

Messy Gardens Can be Healthy Gardens Provide Habitat for our Pollinators & Beneficial Insects

***9:30 AM - 10:30 AM, November 17, 2018
at Central Park Gardens***

(corner of 3rd and B Sts, Davis)

For more information: yolomg.ucanr.edu or ph 530-666-8737

Fall cleanup of the garden can be balanced with providing places for our pollinators and beneficial insects to overwinter. Their spring emergence brings flower and vegetable pollinators and biological pest control for the garden.

Please note: In the event of rain the workshop will be held at the US Bicycling Museum, corner of 3rd and B Sts (303 Third Street)
